2.1. Canopy is a product operating under Pointer Labs LLC. It is not a separately incorporated legal entity. All legal obligations, contracts, and intellectual property relating to Canopy are held by Pointer Labs LLC.

2.2. This Agreement governs the internal operations, team structure, profit sharing, and financial obligations of Canopy specifically, and is separate from the Pointer Labs Founders Agreement which governs the parent entity.

2.3. The Co-Founders’ equal partnership model, joint decision-making requirements, and CEO representational arrangement as set out in the Pointer Labs Founders Agreement apply equally to Canopy and are incorporated herein by reference.

3. TEAM COMPOSITION AND ROLES

4. PROFIT SHARE PERCENTAGES

4.1. Each Team Member's profit share is fixed as set out in Clause 3.1 and may not be adjusted after the execution of this Agreement for any reason.

4.2. Profit share percentages represent each Team Member's entitlement to distributions once the 500k Trigger is reached. They do not represent ownership of Canopy or Pointer Labs LLC, and do not confer any voting, governance, or decision-making rights except as expressly stated in this Agreement.

4.3. No Team Member other than the Co-Founders may be added to the profit share table. Future hires shall be compensated through agreed salaries or contractor fees, not profit share, unless both Co-Founders agree otherwise in writing.

5. FINANCIAL OBLIGATIONS AND FOUNDING DEBT

5.1. The Co-Founders have made the following capital contributions to Canopy, constituting the Total Founding Debt of ₦650,000 which Canopy is obligated to repay:

5.4. No interest shall accrue on the Total Founding Debt unless both Co-Founders agree otherwise in writing.

6. DEBT REPAYMENT AND ACCUMULATION STRUCTURE

6.1. MONTHLY SPLIT: Each month, Canopy's Monthly Net Profit shall be divided as follows:

6.1.1. Fifty percent (50%) shall be allocated to the Repayment Pool and used to repay the Co-Founders' founding contributions.

6.1.2. Fifty percent (50%) shall be retained by Canopy as the Accumulation Pool.

6.2. REPAYMENT DISTRIBUTION: The Repayment Pool each month shall be distributed as follows:

6.2.1. Thirty percent (30%) of the Monthly Net Profit shall be applied toward the outstanding balance owed to Ademoye Adeoluwa Daniel (₦445,000).

6.2.2. Twenty percent (20%) of the Monthly Net Profit shall be applied toward the outstanding balance owed to Ekenedirichukwu Jude Aruogu (₦205,000).

6.3. Repayments shall continue every month until each Co-Founder's outstanding balance is fully cleared. Once a Co-Founder's individual debt is fully repaid, their portion of the Repayment Pool shall be redirected to the Accumulation Pool until the other Co-Founder's debt is also cleared.

6.4. ACCUMULATION: The Accumulation Pool shall be retained in Canopy's account each month and shall not be distributed to any Team Member during the debt repayment phase.

6.5. Both Co-Founders shall maintain accurate and transparent records of outstanding debt balances and shall present updated figures to each other monthly. Funbi (Finance & Operations Analyst) shall track and report on the repayment progress as part of her role.

7. THE 500K TRIGGER AND VESTING

7.1. No profit distributions shall be made to any Team Member until the 500k Trigger is reached. The 500k Trigger requires BOTH of the following conditions to be simultaneously satisfied:

7.1.1. The Total Founding Debt of ~~₦~~650,000 has been fully repaid to both Co-Founders; AND

7.1.2. The Accumulation Pool has reached a cumulative balance of Five Hundred Thousand Naira (~~₦~~500,000).

7.2. VESTING: All Team Members are subject to this vesting condition. Any Team Member who leaves Canopy or is removed from the team before the 500k Trigger is reached shall forfeit all entitlement to profit distributions entirely. They shall receive nothing from the Accumulation Pool or any future distributions.

7.3. TRIGGER DISTRIBUTION: Upon the 500k Trigger being reached, the entire accumulated balance of the Accumulation Pool (being at minimum ~~₦~~500,000) shall be distributed to all Team Members in accordance with their Profit Share percentages as set out in Clause 3.1.

7.4. This trigger distribution is a one-time event. Following this distribution, the ongoing distribution structure in Clause 8 shall apply permanently.

8. POST-TRIGGER PROFIT DISTRIBUTIONS

8.1. Following the trigger distribution in Clause 7.3, Canopy's Monthly Net Profit shall be allocated as follows every month:

8.1.1. Fifteen percent (15%) shall be retained by Canopy as company funds for operational costs, growth, and reserves. This cap is permanent and applies every month going forward.

8.1.2. The remaining eighty-five percent (85%) shall be distributed to all Team Members in accordance with their Profit Share percentages as set out in Clause 3.1.

8.2. Distributions shall be made monthly, within seven (7) days of the end of each calendar month, subject to the Monthly Net Profit being calculated and verified.

8.3. Both Co-Founders must confirm the Monthly Net Profit figure before any distribution is made. Neither Co-Founder may unilaterally approve or withhold a distribution.

9. TEAM MEMBER DEPARTURE AND REMOVAL

9A — Voluntary Departure

9.1. Any Team Member (other than the Co-Founders) who wishes to leave Canopy must serve out the remainder of the calendar month in which they announce their departure. They may not leave mid-month without the agreement of both Co-Founders.

9.2. A departing Team Member shall receive their profit share distribution for the month in which they announce their departure, provided they fulfil their obligations for that month. From the following month onwards, they shall receive no further distributions of any kind.

9.3. The Co-Founders may not voluntarily exit Canopy independently of the provisions of the Pointer Labs Founders Agreement. The Co-Founders' exit provisions are governed exclusively by that Agreement.

9B — Removal

9.4. Any Team Member (other than the Co-Founders) may be removed from Canopy at any time, provided that both Co-Founders agree in writing to the removal. The removal requires the consent of both Co-Founders — neither Co-Founder may unilaterally remove a Team Member.

9.5. A removed Team Member shall receive no profit share distribution from the month following their removal onwards. If removed mid-month, both Co-Founders shall agree whether the departing member receives a distribution for that partial month.

9.6. The Co-Founders may not be removed from Canopy under any circumstances by any Team Member or combination of Team Members.

9C — Share Redistribution

9.7. Upon a Team Member's departure or removal, their profit share percentage shall be redistributed proportionally among all remaining Team Members based on their existing profit share percentages at the time of the departure.

9.8. For the avoidance of doubt, proportional redistribution means each remaining Team Member shall receive an additional allocation equal to: (their existing Profit Share ÷ total remaining Profit Share) multiplied by the departing member's Profit Share percentage.

9.9. The redistribution shall take effect from the first full month following the departure or removal of the Team Member.

10. DISPUTE RESOLUTION

10.1. Oluwamuyiwa Iyanu Samuel is appointed as Canopy's Dispute Counsel. In the event of any dispute between Team Members that cannot be resolved internally within fourteen (14) days, the matter shall be referred to the Dispute Counsel.

10.2. JURY MODEL: The Dispute Counsel shall function as a sole juror. Upon being presented with both sides of the dispute, the Dispute Counsel shall have twenty-four (24) hours to deliberate and reach a decision.

10.3. During the deliberation period, the Dispute Counsel may not be contacted, influenced, lobbied, or pressured by any party to the dispute, any Team Member, or any other person — including close friends and family. The deliberation must be conducted in complete independence.

10.4. If the Dispute Counsel is unable to reach a decision within the initial twenty-four (24) hour window, a single extension of a further twenty-four (24) hours shall be granted automatically. No further extensions shall be permitted.

10.5. The decision of the Dispute Counsel, reached in accordance with this Clause, shall be binding on all parties to the dispute for a period of twelve (12) months, after which either party may reopen the matter if circumstances have materially changed.

10.6. If the Dispute Counsel is unavailable or unable to serve, the matter shall be escalated to the Pointer Labs Founders Agreement deadlock mechanism.

10.7. Disputes between the Co-Founders specifically shall be governed exclusively by the Pointer Labs Founders Agreement and not by this Clause.

11. INTELLECTUAL PROPERTY

11.1. All Intellectual Property created by any Team Member in the course of their work for Canopy — whether during or after working hours, whether alone or together, and whether or not using Canopy resources — shall be the sole and exclusive property of Pointer Labs LLC.

11.2. Each Team Member agrees to execute any documents reasonably necessary to give full effect to this assignment.

11.3. No Team Member shall, without the written consent of both Co-Founders, use, license, sell, or transfer any Canopy Intellectual Property for any personal purpose.

11.4. This obligation shall survive the termination of any Team Member's involvement with Canopy.

12. CONFIDENTIALITY

12.1. Each Team Member agrees, both during their involvement with Canopy and permanently thereafter, to keep all Confidential Information strictly confidential, use it solely for Canopy's purposes, take all reasonable steps to prevent unauthorised disclosure, and promptly notify the Co-Founders of any actual or suspected breach.

12.2. Confidential Information includes but is not limited to: subscriber data and payment information, platform architecture and source code, financial records and margins, business strategy and roadmaps, pricing models, and the terms of this Agreement.

12.3. These obligations shall not apply to information that becomes publicly available through no fault of the relevant Team Member, or that is required to be disclosed by law.

13. NON-COMPETITION AND NON-SOLICITATION

13.1. NON-COMPETITION DURING ENGAGEMENT: For the duration of their involvement with Canopy, no Team Member shall, directly or indirectly, be employed by, consult for, invest in, or otherwise be involved with any business that competes with Canopy — being any platform engaged in subscription access aggregation, reselling, or distribution of streaming, digital productivity, or similar digital services — without the prior written consent of both Co-Founders.

13.2. NON-COMPETITION AFTER DEPARTURE: For a period of two (2) years following the departure or removal of any Team Member from Canopy for any reason, that Team Member shall not, directly or indirectly:

13.2.1. Establish, operate, join, or be involved in any business that directly competes with Canopy in any market where Canopy is actively operating at the time of departure;

13.2.2. Solicit or attempt to solicit any subscriber, customer, or client of Canopy with whom the departing Team Member had material contact during the twelve (12) months prior to departure;

13.2.3. Solicit or attempt to solicit any Team Member of Canopy to leave their engagement with Canopy.

13.3. The non-competition obligation in Clause 13.2 applies only to businesses that directly compete with Canopy's active model at the time of departure. It shall not prevent any Team Member from working in the technology or digital industry broadly, or from taking employment in unrelated sectors.

13.4. The Co-Founders are subject to the non-competition provisions of the Pointer Labs Founders Agreement, which takes precedence over this Clause with respect to the Co-Founders specifically.

13.5. Both parties acknowledge that a breach of this Section would cause irreparable harm to Canopy and agree that a court of competent jurisdiction may grant injunctive relief to enforce these obligations without the need to prove actual damages.

14. GENERAL PROVISIONS

14.1. GOVERNING LAW: This Agreement shall be governed by the laws of the Federal Republic of Nigeria.

14.2. ENTIRE AGREEMENT: This Agreement constitutes the entire understanding between the parties regarding Canopy's internal operations and supersedes all prior discussions and agreements.

14.3. AMENDMENT: This Agreement may not be amended except by a written instrument signed by both Co-Founders. No oral amendment shall be binding.

14.4. SEVERABILITY: If any provision is found invalid, it shall be modified to the minimum extent necessary to make it valid, without affecting remaining provisions.

14.5. NOTICES: All notices shall be in writing, delivered to each party's verified contact details.

14.6. COUNTERPARTS: This Agreement may be executed in counterparts. Electronic signatures shall be valid and binding.

14.7. PERIODIC REVIEW: This Agreement shall be subject to a formal review every twelve (12) months from the date of execution, if the need arises. Either Co-Founder may call for a review by giving written notice to the other. A review does not automatically trigger any amendment — it is an opportunity for both Co-Founders to assess whether any provisions need

updating in light of Canopy's growth, team changes, or operational circumstances. Any changes arising from a review shall only take effect if agreed upon in writing by both Co-Founders in accordance with Clause 14.3. If no review is called within a twelve (12) month period, this Agreement shall continue in full force and effect unchanged.
